

BECOME AN ONN C[ONN]ECTOR!

ONN Connectors are organizations, corporations and individuals that believe in building a strong and resilient nonprofit sector in Ontario – like you!

You know that Ontario's nonprofits and charities are incredibly busy with their missions and work in their communities – and need a collective voice at the provincial level when it comes to policy, advocacy, and shared opportunities and trends. Someone who has their back.

Connectors understand that policy and systems change takes time, energy, and resources. You get that public benefit organizations are stronger together, and see the importance of connecting the dots between the nonprofit sector, government, and the private sector.

WHY BECOME AN ONN CONNECTOR?

This is a unique opportunity for you to demonstrate your support of a strong nonprofit sector through a creative, inclusive, and province-wide network that mobilizes for action.

- Help ensure there is a convener of voices, independent of government, to advocate on the issues, policies, and legislation that impact public benefit nonprofits and charities in Ontario.
- Provide financial flexibility for ONN to identify and respond to emerging issues and opportunities for the nonprofit sector.

WHY STRENGTHEN THE SECTOR?

The nonprofit sector is unique – 55,000 public benefit organizations making communities vibrant, innovative and more inclusive places to live, work, and play. Together they contribute \$50 billion to Ontario’s GDP and employ over 1 million people. Harnessing the collective knowledge, leadership, and on-the-ground experience of these inspiring organizations means stronger and thriving Ontario communities for us all.

WHY A PROVINCIAL NETWORK?

ONN plays a unique role in the sector: from public policy development and analysis, to connecting organizations across the province, convening shared opportunities and trends, and channeling collective expertise for solutions-building, ONN is a springboard for sector action. Through our network model, ONN reaches out and engages nonprofits and charities in public policy and advocacy in all parts of Ontario.

- **Social enterprise:** Advocate for policy and legislative changes to create an enabling environment for nonprofit social enterprise
