FOR STRENGTHENING ONTARIO'S COMMUNITIES

Trends in the Real World: Strategies & Tools for the Everyday

Following our morning speakers, you'll join **two** breakout sessions to dive in depth on the morning's 5x5s and get practical. Connect with experts to learn more about how trends and issues can affect your work.

Government Relations: Do's and Do Not's for Partnership and Policy Development	The NFP Sector and Open for Business- Funding Reform, Access to Lands & Loans: What Happened & What's Next?	We're on the Map! What the Social Enterprise Movement in Ontario <i>Really</i> Looks Like, and What that Means for NFPs
Social Purchasing: It All Adds Up (to a Revolution)	We Are What We Buy... And How We Buy It Matters (Group Purchasing, Group Benefits & Procurement Policies)	Economics 2.0: Asset Pipelines & Evaluating Social Finance Tools
A Human Capital Renewal Strategy for Ontario's NFP Sector: Making Sense of the Data	The Ontario Trillium Foundation & The NFP Sector: 30 years Past, Present and Future...	Sharing Stuff: Practical Ways to Work Together, Build Collective Assets and Generally Get Ahead
Convening Regional Roundtables: How to Broker Collective Investment and Re-direct a Region's Prospects	What Can We Learn, Leverage and Support from other Movements? Organizations, networks and making change: Social Finance, Idle No More, and other Game-shifters	Government Relations: What Advocacy is (And What it Isn't)
	Insurance, It's Serious Business: Protecting Your Org Against Directors & Officers Claims	

Please note that all presentations, speakers and sessions are subject to change. All registered participants will receive a final schedule by email closer to the event date. Check back at www.theonn.ca to see updates and news before then!
