

Nonprofit Risk Management & Insurance Solutions

Let's protect your organization, your people and those who rely on the services you provide.

Nonprofit organizations face a variety of strategic challenges in operating their business. In a rapidly changing world, there is risk at every turn and organizations need to be prepared for the unexpected.

Without expert guidance, there may be gaps in your insurance and risk management protocols that leave your organization exposed.

Helping Nonprofits be ready for tomorrow

HUB is a leading full-service global insurance brokerage that puts you at the center of everything we do. When you partner with us, you're at the center of a vast network of experts dedicated to helping you prepare for the unexpected.

Our dedicated Nonprofit experts have experience in all areas of the sector and will partner with you to:

- Reduce the total cost of organizational risk and relieve administrative burdens.
- Identify threats to your organization's assets and suggest practical-cost-effective risk management strategies to mitigate risk.
- Develop efficient commercial risk transfer solutions.
- Provide hands-on program management, counsel, and advocacy to maximize the value of every insurance contract.
