Dear Ms Taylor: *Cathy,*

Thank you for your letter and kind words congratulating me on my appointment as Minister of Energy for Ontario. I am both excited and humbled by the opportunity to serve the people of our province in my new role.

Supporting Ontarians through these unprecedented times continues to be our government's top priority. While our primary focus remains protecting the health and well-being of our citizens, our plans to power up our economic recovery are also underway. We are pressing on with our priorities for Ontario's energy system.

I look forward to working together with our energy partners to build a world-class energy sector that is clean, reliable and affordable for all Ontarians.

Thank you again for writing and please accept my best wishes.

Sincerely,
