INDEPENDENT AUDITORS' REPORT

To: The Board of Directors and Members of
Ontario Nonprofit Network

Opinion

We have audited the financial statements of Ontario Nonprofit Network, which comprise the statement of financial position as at March 31, 2021, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2021, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

INDEPENDENT AUDITORS' REPORT, continued

- ♦ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ♦ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- ♦ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ♦ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- ♦ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

1. DESCRIPTION OF ORGANIZATION AND INCOME TAX STATUS

Ontario Nonprofit Network ("ONN") was established as a corporation without share capital by Ontario Letters Patent on February 11, 2014 to support the Ontario non-profit sector by bringing the diverse voices of the sector to government, funders and businesses to create and influence systemic change.

ONN is not a registered charitable organization under the Income Tax Act (Canada) and, as such, does not accept charitable donations or issue donation receipts for income tax purposes. Under its understanding of paragraph 149(1)(l) the organization claims exemption from the obligation to pay income tax.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are detailed as follows:

(a) Revenue recognition

The organization follows the deferral method of accounting for grants, which include support from the government and other non-profit organizations.

Externally restricted grants are deferred and recognized as revenue in the year in which the related expenses are incurred.

Unrestricted grants are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Sponsorships, events, membership, consulting fees and other fees are recognized when the amount to be received can be reasonably estimated and collection is reasonably assured.

(b) Government assistance

Government and other grants related to capital assets are accounted for as deferred government assistance and amortized on the same basis as the related capital assets. Government assistance toward current expenses are included in the determination of net income for the period and presented as other income in the Statement of Operations. If there is no reasonable assurance of collection, the recognition of the government assistance is deferred to the period when such assurance can be obtained.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, *continued*

(c) **Contributed services**

The organization would not be able to carry out its administrative activities without the services of volunteers who donate a considerable number of hours. Due to the difficulty in determining their fair value, the value of contributed services is not recognized in the financial statements.

(d) **Cash and cash equivalents**

Cash and cash equivalents include cash on hand and investments maturing in less than 90 days. As at March 31, 2021, there were no cash equivalents.

(e) **Capital assets**

Purchased capital assets are recorded at acquisition cost. The organization provides for amortization using the following methods at rates designed to amortize the cost of the capital assets over their estimated useful lives. The annual amortization rates and methods are as follows:

Computer equipment	30% Declining balance
--------------------	-----------------------

(f) **Impairment of long-lived assets**

The organization tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected undiscounted future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent carrying value exceeds its fair value.

(g) **Cash flows**

The organization uses the indirect method of reporting cash flows from operating activities.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, *continued*

(h) Financial instruments

(i) Measurement of financial instruments

The organization initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument. Amounts due to and from related parties are measured at the exchange amount, being the amount agreed upon by the related parties.

The organization subsequently measures its financial assets and financial liabilities at amortized cost, except for derivatives and equity securities quoted in an active market, which are subsequently measured at fair value. Forward exchange contracts that are not hedging items are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash, term deposits, accounts receivable and government assistance receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Financial assets measured at fair value include long term investment.

(ii) Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of possible impairment. When a significant adverse change has occurred during the period in the expected timing or amount of future cash flows from the financial asset or group of assets, a write-down is recognized in net income. The write-down reflects the difference between the carrying amount and the higher of:

- ♦ the present value of the cash flows expected to be generated by the asset or group of assets;
- ♦ the amount that could be realized by selling the assets or group of assets;
- ♦ the net realizable value of any collateral held to secure repayment of the assets or group of assets.

When the events occurring after the impairment confirm that a reversal is necessary, the reversal is recognized in net income up to the amount of the previously recognized impairment.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

(i) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Items requiring the use of significant estimates include valuation of accounts receivable. Actual results could differ from those estimates.

3. TERM DEPOSITS

Term deposits are invested in redeemable bank guaranteed investment certificates which are deposited with a Canadian Chartered bank, maturing on January 14, 2022 and bear interest at 1.05%.

4. INVESTMENT

Investment is comprised of a member share paid to Alterna Savings, a Canadian financial co-operative.

5. CAPITAL ASSETS

			2021		2020	
	Cost	Accumulated amortization	Net	Net	Net	Net
Computer equipment	\$ 11,249	\$ 5,726	\$ 5,523	\$	1,448	

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

6. DEFERRED GRANTS

Deferred grants consist of funds received in advance of future events and projects. Changes in the deferred grants balances are as follows:

	2021	2020
Opening balance	\$ 199,196	\$ 233,392
Grants received/receivable	954,002	583,000
Grants recognized as revenue	(764,003)	(617,196)
	\$ 389,195	\$ 199,196

7. COMMITMENTS

The organization's total base rent obligation under their current property lease agreement expiring on January 2022 is \$55,000 (2020 - \$60,000).

8. BOARD DESIGNATED RESERVE

The ONN Board of Directors designated \$75,000 of existing accumulated liquid unrestricted net assets to establish a new Board Designated Reserve Fund (the "Fund") on March 25, 2021. The Board intends to increase the balance of the Fund over time to reach its required minimum.

The purpose of this Fund is to provide an internal source of funds for financial flexibility, support unanticipated expenses or losses and to address special opportunities or needs, as approved by the Board.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

9. **SALARIES AND BENEFITS**

Included in salaries and benefits during the year is pension expense of \$21,850 (2020 - \$20,492) relating to a defined benefit pension plan with the OPSEU Pension Plan Trust Fund ("the Plan"). The Plan was established in 1994 to provide pension benefits for employees of the Province of Ontario in bargaining units represented by the Ontario Public Service Employees Union ("OPSEU") and certain other bargaining units and employers.

ONN enrolled in the OPSEU pension plan program, OPTrust Select commencing in 2019. OPTrust Select was created in 2018 to provide a defined pension plan program to employers in Ontario's Broader Public Sector, charitable and non profit organizations that operate in Ontario.

10. **CAPITAL MANAGEMENT**

The objectives of the Board of Directors in managing capital are to safeguard the organization's ability to maintain its projects and programs as outlined in budgets and plans approved by the Board. The Board monitors, assesses and manages capital and makes adjustments based on its assessment of economic conditions.

The organization is subject to external restrictions on grants when the funding agencies specify programs or areas which they fund. The organization has complied with these externally imposed requirements.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

11. GOVERNMENT GRANTS

Various governments and government organizations have agreed to grant the organization funds in the year to cover program expenditures incurred as per approved budgets. Such amounts included in grants revenue are as follows:

	2021	2020
Province of Ontario (Ontario Trillium Foundation)	\$ 69,554	\$ 52,604
Government of Canada	60,162	119,004
Municipality of Toronto	34,599	52,476
	\$ 164,315	\$ 224,084

Included in the deferred grants are the following amounts from governments:

	2021	2020
Province of Ontario (Ontario Trillium Foundation)	\$ 177,842	\$ 47,396
Government of Canada	133,035	4,458
Municipality of Toronto	51,076	65,925
	\$ 361,953	\$ 117,779

12. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the organization's risk exposure and concentrations as at March 31, 2021.

(a) **Credit risk**

Credit risk arises from the potential that certain parties will fail to perform their obligations. The organization routinely assesses the financial strength of its members and sponsors and, as a consequence, believes that its accounts receivable credit risk exposure is limited.

(b) **Liquidity risk**

Liquidity risk is the risk that the organization will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities. The organization expects to meet these obligations as they come due by generating sufficient cash flows from operations as well as from ongoing grant support, sponsorships and the continued support of its members.

ONTARIO NONPROFIT NETWORK

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2021

12. FINANCIAL INSTRUMENTS, continued

(c) **Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. It is management's opinion that the organization is not exposed to currency risk or other price risk.

(d) **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. The organization is exposed to fair value risk on its fixed rate term deposit.

13. COVID-19

Countries around the world continue to be affected by the COVID-19 virus, which was declared a pandemic by the World Health Organization on March 11, 2020. This pandemic has placed restrictive boundaries on how businesses can operate, requiring social distancing measures and at times, closures of non-essential businesses. While the organization continues to operate, it is unclear what the continuing financial impact the pandemic will be on business going forward.

The organization has applied for the following government assistance available under Canada's COVID-19 Economic Response Plan:

- i) Canada Emergency Rent Subsidy in the amount of \$6,604 (2020 - nil) which is recorded in the Statement of Operations. Government assistance receivable includes an amount of \$6,604 (2020 - nil) for this claim and was received subsequent to year end.
 - ii) Canada Emergency Wage Subsidy in the amount of \$206,088 (2020 - \$15,937) which is recorded in the Statement of Operations. Government assistance receivable includes an amount of \$70,577 (2020 - \$21,487) for this claim and was received subsequent to year end.
 - iii) Temporary Wage Subsidy for Employers in the amount of \$14,736 (2020 - \$5,536) which is recorded in the Statement of Operations.
-

14. COMPARATIVE FIGURES

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.
