

BECOME AN ONN CONNECTOR

ONN Connectors are organizations, foundations, companies, and individuals who support ONN's work to strengthen the nonprofit sector.

Connectors know that Ontario's nonprofits and charities are incredibly busy with their missions and work in their communities – and need a collective voice at the provincial level when it comes to policy, advocacy, and shared opportunities and trends. Someone who has their back.

Connectors understand that policy and systems change takes time, energy, and resources; that busy individual nonprofits need to be supported at the sector level in order to create that needed change; and that it's vital ONN, the only province-wide network, needs to be supported.

SHOW YOUR SECTOR LEADERSHIP

This is a unique opportunity for you to demonstrate your support of a strong nonprofit sector through a creative, inclusive, and province-wide network that mobilizes for action.

- Help ensure there is a convener of voices, independent of government, to advocate on the issues, policies, and legislation that impact public benefit nonprofits and charities in Ontario.
- Provide financial flexibility for ONN to identify and respond to emerging issues and opportunities for the sector.

A PROVINCIAL NETWORK FOR A STRONGER SECTOR

The nonprofit sector is unique – 58,000 public benefit organizations making communities vibrant, innovative and more inclusive places to live, work, and play. Together they contribute \$65 billion to Ontario's GDP and employ over 1 million people. Harnessing the collective knowledge, leadership, and on-the-ground experience of these inspiring organizations means stronger and thriving Ontario communities for us all.
